

ADDENDUM No. 2 to the TENDER DOCUMENTS for Procurement of Medical Imaging Equipment, no. IOP/5-2017/RD

Issued on 06.10.2017.

The following provisions of Tender Documents for the Medical Imaging Equipment, no. IOP/5-2017/RD are hereby replaced as follows:

1. Tender Documents are changed in Section III. Evaluation and Qualification Criteria, 2. Postqualification Requirements, Certifications and standards, Paragraph 3 which reads as follows:

For offered medical devices, it is necessary to submit documentation (licence) of current valid registration in ALIMS -R. Serbia.

It is replaced and reads as follows:

“For offered medical devices, it is necessary to submit documentation (licence) of current valid registration in ALIMS -R. Serbia or CE certificate if the device is not registered with ALIMS at the time of the bids submission.

After the award decision is announced , the successful Bidder is obliged to submit documentation of valid registration in ALIMS before signature of the contract.”

2. Tender Documents are changed in Section VI. Schedule of Requirements, 3. General Technical Requirements, Equivalency of Standards and Codes, Paragraph 2.3 which reads as follows:

“For offered medical devices, it is necessary to submit documentation (licence) of current valid registration in ALIMS -R. Serbia. ”

It is replaced and reads as follows:

“For offered medical devices, it is necessary to submit documentation (licence) of current valid registration in ALIMS -R. Serbia or CE certificate if the device is not registered with ALIMS at the time of the bids submission.

After the award decision is announced , the successful Bidder is obliged to submit documentation of valid registration in ALIMS before signature of the contract.”

3. Tender Documents are changed in Section II. Bidding Data Sheet (BDS), ITB 15.2 which reads as follows:

“Resident of the Republic of Serbia who bids in EUR or RSD shall be paid in RSD according to the middle exchange rate of the National Bank of Serbia on the date of payment.”

It is replaced and reads as follows:

“Resident of the Republic of Serbia who bids in EUR or RSD shall be paid in RSD according to the middle exchange rate of the National Bank of Serbia on the date of receipt of invoice/proforma invoice and relevant documents”

4. Tender Documents are changed in Section IV. Bidding Forms, Bid Submission Form, which reads as follows:

“For the Bidders from the Purchaser’s Country who expressed the bid prices in the currency of The European Economic and Monetary Union, payable in dinars at the middle exchange rate of National Bank of Serbia on the date of payment.”

It is replaced and reads as follows:

“For the Bidders from the Purchaser’s Country who expressed the bid prices in the currency of The European Economic and Monetary Union, payable in dinars at the middle exchange rate of National Bank of Serbia on the date of receipt of invoice/proforma invoice and relevant documents”

5. Tender Documents are changed in Technical Specification, Lot 1, Multislice CT Scanner for cardiovascular procedures for Institute for cardiovascular diseases “Dedinje”, line 7.13

Which reads as follows:

7.13 Ultra High Spatial resolution - min. 24 lp/cm or more

It is replaced and reads as follows:

7.13 Ultra-high spatial resolution – to be minimal 20 line pairs / cm or more

6. Tender Documents are changed in Technical Specification, Lot 1, 2.Digital angiography system for cardio-vascular diagnostic and interventional procedures Institute for cardiovascular diseases “Dedinje”, line 8.6 and 8.7

Which reads as follows:

8.6.Integrated FFR, iFR (or equivalent), integrated OCT (or equivalent) on system in angio-suite.

Real time angio-optical coregistration.Integrated in patient table.

8.7.IVUS integrated system in angio-suite.

Lines are replaced and reads as follows:

8.6 Integrated FFR plus OCT or FFR plus IVUS. Integrated in angio patient table in angio-suite. Real time coregistration with angiography image.

7. Tender Documents are changed in Technical Specification, Lot 2, Magnetic resonance system 1.5T equipped and suitable for whole body examinations for Clinical Hospital Center „Zemun“, line 5.1

Which reads as follows:

5.1 Minimal height position of patient table- 45 cm or less

It is replaced and reads as follows:

5.1 Minimal height position of patient table- 52 cm or less

8. Tender Documents are changed in Technical Specification, Lot 2,1. Magnetic resonance system 1.5T equipped and suitable for whole body examinations for Clinical Hospital Center „Zemun“, line 8.6:

Which reads as follows:

8.6 Non contrast angiography with following acquisition techniques: FSBB, FBI, Time-SLIP

It is replaced and reads as follows:

8.6 Non contrast angiography with following acquisition techniques: FSBB, FBI, Time-SLIP or equivalent

9. Tender Documents are changed in Technical Specification, Lot 2,1. Magnetic resonance system 1.5T equipped and suitable for whole body examinations for Clinical Hospital Center „Zemun“, line 8.15

Which reads as follows:

8.15 Multislice scanning techniques: from beginning to the end, from end to beginning and from central position to end positions

It is replaced and reads as follows:

8.15 Multislice scanning techniques: from beginning to the end and from end to beginning

10. Tender Documents are changed in Technical Specification, Lot 2,1. Magnetic resonance system 1.5T equipped and suitable for whole body examinations for Clinical Hospital Center „Zemun“, line 8.22

Which reads as follows:

8.22 Diffusion techniques: EPI Diffuion, FASE Diffusion

It is replaced and reads as follows:

8.22 Diffusion techniques: EPI Diffuion, FASE Diffusion or equivalent

11. Tender Documents are changed in Technical Specification, Lot 2, 4.Premium Cardiovascular ultrasound system for Clinical Hospital Center „Zemun“, line 8.15

Which reads as follows:

1.9 TGC equilizers for lateral gain control on LCD touch - screen panel

It is replaced and reads as follows:

1.9 TGC equilizers for lateral gain control on LCD touch - screen panel or automatic lateral gain control

In order to prepare correct bids, regarding lots in which changes were made, the Bids should be prepared in accordance with the latest amendment, published on the website of the Purchaser.

In all other aspects, Biding documents for the Procurement of Medical Imaging Equipment, **no. IOP/5-2017/RD**, remains unchanged.
