

Procurement of IT equipment and Hospital furnishing for the new building of Institute for cardiovascular disease – Dedinje 2, Belgrade

IOP/54-2021/UHI

Clarification No.1

Issued on 06th of August 2021

Question 1:

1. Technical specification - Lot 2-Hospital furnishing

Position 67-Sanitary cleaning kit- you are demanding that the sanitary kit contains 2 garbage bags.

Standard sanitary cleaning contains only one garbage bag (2 cans 25 l, press for mop, 2 small cans of 8 liters), and it is not doable to make construction on that standard kit that will contain one more garbage bag.

Is it possible to give price for standard sanitary kit with one garbage bag, 2 cans of 25 liters - Press for MOP, - 2 small cans of 8 liters, - MOP + 2 spare cloths (cotton or microfiber) MOP set (handle / stiletto, canvas holder / holder, cotton fabric or microfiber cloth ?

Answer 1:

It is acceptable.
