Regarding the list of question that the Purchaser, Public Investment Management Office Belgrade, No. 11 Nemanjina street, have received from the potential bidders, concerning the procurement procedure: Construction of a New Building of the Faculty of Organizational Sciences in Belgrade no. IOP/30-2019/RD, we give you the following answers:

Question 1:

As we have seen in the project documentation that in the architectural project, pages 40-214 (Bill of Quantities) were missing, and since we concluded that it exists in Serbian language, please, if possible, provide us with the same, so that we would fully consider and properly prepare our tender?

Answer 1:

Excel file Bill of quantities in both, Serbian and English language, will be given attached to this clarification on the Employer's website: <http://www.obnova.gov.rs/english/public-procurement> and <http://www.obnova.gov.rs/cirilica/javne-nabavke>, upon potential bidder's request and only to make preparation of tender easier. However, bidders should be aware of the fact that only Bill of quantities in English language is valid and relevant for this tender procedure.
