

**EXECUTION OF PREPARATORY WORKS ON THE ARRANGEMENT OF THE
CONSTRUCTION SITE FOR THE CONSTRUCTION OF THE NEW UNIVERSITY
CHILDREN'S HOSPITAL TIRŠOVA 2 IN BELGRADE
(PROCUREMENT NO. IOP/53-2051/UCH2)**

**AMENDMENT No. 1 TO TENDER DOCUMENTS
Issued on June 15, 2021**

Public Investment Management Office, No. 11 Nemanjina street, Republic of Serbia, as the Purchaser, hereby notifies all persons concerned for procurement procedure: **Execution of preparatory works on the arrangement of the construction site for the construction of the new University children's hospital Tiršova 2 in Belgrade, no. IOP/53-2021/UCH2**, that there has been an amendment made in the Tender Documents, part *Volume-II_Tender_Documents_Execution of preparatory works on the arrangement of the construction site for the construction of the new UCH Tiršova 2 in Belgrade*, part **Bill of Quantities_Execution of preparatory works on the arrangement of the construction site for the construction of the new UCH Tiršova 2 in Belgrade**, in accordance with the Tender Documents, point 8. Amendment of tender documents, Volume I, Section 2: Instructions to Tenderers.

There has been made minor changes and additions in the file **Bill of Quantities_Execution of preparatory works on the arrangement of the construction site for the construction of the new UCH Tiršova 2 in Belgrade**, in the following manner:

1) Sheet: Preparatory works:

Pos. 1.42 is amended to read as follows:

„Procurement and installation of a closed mobile construction fence with one gate for the entrance of workers, vehicles and machinery. The fence is formed of profiled panel elements, 2200 mm long and 2000 mm high, supported by a substructure of horizontal steel profiles 30x20x30 mm, vertical pipes 2Ø40 mm and fillings of 3.1 mm.

The fence has modular dimensions, according to the INSYTEMP C manufacturer's specification or equivalent.

Double-winged gate 4.0 m 2.0 m, made of hot-dip galvanized profiles with anti-corrosion protection. The panel walls elements of the fence are of welded mesh, of modular dimensions 50 x 200, Ø5.00 mm. The dimensions of the steel frame profile of the gate are 40 x 40 mm, and the dimensions of the horizontal profile are 30 x 30 mm, according to the Palisad manufacturer's specification or equivalent.

Equip the gates with locks with keys or padlocks. Place warning signs on the fence for passers-by.

Calculation per running meter of the fence.”

2) Sheet: Preparatory works:

Pos. 1.43 is amended to read as follows:

“Making a protective canopy, above the fence. The canopy to be made of wooden beams and pillars 10/12 with struts and stiffeners. Cover it with 25mm thick boards and roof paper that

is fastened with wooden slats. The canopy is received by the supervisory body, the structural engineer. The width of the canopy is predefined in the plan, with entrances as needed. It is used for the entire duration of the works and is paid once, regardless of whether it is dismantled and reassembled during the works.
Calculation per m² of the canopy.”

3) Sheet: Earthworks:

Pos. 2.17 is amended to read as follows:

2.17	Mechanical excavation of IV and V category materials at the location of retaining walls and piles designed to protect the surrounding terrain and roads (limestone, marl and marl clay) according to the designed elevations. Calculation of the performed works is made per cubic meter of excavated autochthonous material with pushing up to 20 m, prepared earth material for transport.				
	IV category	m3	28,400.00		0.00
	V category	m3	42,613.00		0.00

New file Bill of Quantities_Execution of preparatory works on the arrangement of the construction site for the construction of the new UCH Tiršova 2 in Belgrade-revised adjusted to match the changes made through this Amendment, in electronic version, will be given attached to this Amendment and is an integral part of this Amendment.

In all other aspects, Tender Documents for the procurement procedure: Execution of preparatory works on the arrangement of the construction site for the construction of the new University children's hospital Tiršova 2 in Belgrade, no. IOP/53-2021/UCH2, remains unchanged.

This Amendment to Tender Documents, as well as the part ***Bill of Quantities_Execution of preparatory works on the arrangement of the construction site for the construction of the new UCH Tiršova 2 in Belgrade-revised*** of the Tender Documents adjusted to match the changes made through this Amendment, are the part of the Tender Documents and will be posted on the Purchaser's web site: <http://www.obnova.gov.rs/english/public-procurement> and <http://www.obnova.gov.rs/cirilica/javne-nabavke>.
