REQUEST FOR EXPRESSIONS OF INTEREST (CONSULTING SERVICES – FIRMS SELECTION)

Republic of Serbia

Serbia National Disaster Risk Management Program: Scaling Up Resilient Infrastructure Project

Grant No.: GFDDR A 7621

Assignment Title: Conceptual Solution With Geodetic Survey Study And Hydrotechnical Study

Reference No. (as per Procurement Plan): SRB-JPN-GFDDR-SE-S 2.1-05-2019

The Republic of Serbia has received financing from the World Bank acting as administrator of Grant funds provided by Japan (Donor) in amount of USD 1 020 000,00 toward the cost of the Serbia National Disaster Risk Management Program: Scaling Up Resilient Infrastructure Project, and intends to apply part of the proceeds for consulting services.

The consulting services (“the Services”) include preparation of technical documentation needed for construction/reconstruction of structural flood protection measures within the Požega Valley, within the present Flood Defended Areas and new ones (downstream to the Zapadna Morava River and upstream from the Požega City).

The Consultant shall define best technical solutions of the future flood protection system for the City of Požega, along the main rivers (Zapadna Morava, Skrapež, Moravica) and their torrential tributaries (whole catchments), within the wider City area borders.

Within the scope of this assignment, the Consultant shall

- (i) in Phase 1: perform investigation works and
- (ii) in Phase 2: prepare Conceptual Solution with Hydrotechnical Study and Geodetic Survey Study

The consulting services include complex investigations and analyses needed to prepare geodetic, basic geological and geotechnical, hydrologic, hydraulic, spatial, legal, and other data for designs process.

The Consultant must be a company with a licence PO80G3 issued by Serbian Ministry of construction, transport and infrastructure. The Consultant shall provide the team that consists of a Team Leader, two Designers – Hydraulic and Construction Engineers, one Geodetic Surveying Engineer and one Geologist – Geotechnical Engineer.

It is expected that services start in November 2019 and must be ended by June 30, 2020.

The detailed Terms of Reference (TOR) for the assignment can be obtained at the address given below:

The Public Investment Management Office invites eligible consulting firms (“Consultants”) to indicate their interest in providing the Services. Interested Consultants should provide information demonstrating that they have the required qualifications and relevant experience to perform the Services.

The shortlisting criteria are:

| <i>Table 1</i> | <i>Criteria</i> | <i>Weight</i> |
|----------------|---|---------------|
| 1 | <i>Qualifications and experience of the firm</i> – Consultant must be legal entity, register for design of technical documentation with minimum 10 years of experience in this area of business. | 30 |
| 2 | <p><i>Relevant experience</i> - The Consultant must provide evidence of the successfully completed technical documentation (conceptual solutions with hydrological studies, Preliminary Designs, Feasibility studies, Hydrological-hydraulic expertise of flood events, studies of the impact of transport (roads or railway) infrastructure on rivers/ flood protection structures) in last five years. <i>(15 points)</i></p> <p><i>Qualifications and Experience of Key Experts</i> – consultant should provide team consisted of following key experts: Team Leader, two Designers – Hydraulic and Construction Engineers, one Geodetic Surveying Engineer and one Geologist – Geotechnical Engineer. Required qualifications (designers licenses) and experience (based on the similar nature and scope: flood events hydrological-hydraulic expertizes, designing of river training and flood protection structures) of the key experts are stipulated in the TOR. <i>(55 points)</i></p> | 70 |

The attention of interested Consultants is drawn to Section III, paragraphs, 3.14, 3.16, and 3.17 of the World Bank’s “Procurement Regulations for IPF Borrowers” July 1, 2016, setting forth the World Bank’s policy on conflict of interest.

Consultants may associate with other firms to enhance their qualifications, but should indicate clearly whether the association is in the form of a joint venture and/or a sub-consultancy. In the case of a joint venture, all the partners in the joint venture shall be jointly and severally liable for the entire contract, if selected.

A Consultant will be selected in accordance with the Consultant’s Qualification-based Selection (CQS) method set out in the Procurement Regulations.

Further information can be obtained at the address below during office hours from 09:00 to 15:00 hours.

Expressions of interest must be delivered in a written form to the address below in person or by e-mail, by October 29, 2019.
